WHAT is an energy scan?

- ✓ A **home visit** by the Energiesnoeiers (energy savers) with loads of **FREE** energy tips to help you save on energy costs;
- ✓ A **FREE savings package** worth €25 with materials such as a water-saving shower head, energy-saving lamps or a power strip;
- ✓ **Explanation** about the energy bill and a free supplier comparison;
- ✓ **Customised information** about energy premiums and the energy market;
- ✓ A **report on the consumption** of your house with an explanation on how you can save more.

For WHOM? You can apply for a **FREE energy scan** if you can tick one or more of the boxes below:

- I rent a house with a maximum rental price of €528.57 (or €578.57 in some municipalities);
- I have a maximum joint annual income of €31,870 (increased by €1,660 per dependent person);
- I am a protected customer;
- I have an active pre-payment meter;
- I am entitled to the increased reimbursement from the health insurance fund;
- I am assisted by the OCMW or CAW due to repayment difficulties;
- I am in debt settlement (collective or otherwise);
- The LAC (local advisory committee) handled my case;
- I rent a house from a social housing company;
- I rent a house from a social renting office.
